200 Series Combo Arm

- Easily position flat panel monitor and keyboard for maximum comfort and productivity
- Distance between monitor and keyboard is adjustable
- Rugged steel construction
- 5" (13 cm) of LCD height adjustment
- Extremely easy-to-clean design promotes infection control
- Barcode scanner holder provides easy access to hand-held scanner
- Extends LCD up to 18" (45,7 cm) and keyboard up to 39" (99 cm); fold equipment back out of the way when not in use. With the keyboard folded up, total system depth is as little as 12.1" (30,7 cm)

FREE UP SPACE WITH THIS TELESCOPING WALL MOUNT FOR DISPLAY AND KEYBOARD

Attach your LCD and keyboard to the 200 Combo Arm and free up space. This wall unit solution features 3-point telescoping motion, providing greater reach to bring the system where it's needed.

The 200 Combo Arm holds a monitor, bar-code scanner, keyboard, wrist rest and mouse all on the same arm. Arm extends and retracts; fold-back out of the way when not in use. A unique cable management system conceals and organizes cords and makes cleaning a snap!

200 Series Combo Arm

- Ergonomic negative-tilt keyboard tray with left or right mouse tray ensures wrists remain in a neutral position during data entry
- Constant Force™ patented lift technology provides fluid, one-touch adjustment of LCD
- Clean, concealed and neat routing of cables through the expansive cable management system

Part # (color)	45-230-216 (white) 45-230-200 (black)
Includes	200 Combo Arm, wall mount bracket, height-adjustable LCD mount, wrist rest, scanner and mouse holder, integrated keyboard tray with left/right mouse tray, handle, VESA mounting kit, cable ties
